## **Affirmative Action Plan**

### **1. ANTI-DISCRIMINATION RESOLUTION**

WHEREAS that the Connecticut River Watershed Council (CRWC) recognizes that access to the labor market has been restricted to certain people due to discrimination, and

WHEREAS CRWC does not discriminate in hiring or advancement because of race, color, national origin, religion, creed, sexual orientation, disability, socio-economic status, lifestyle, marital status, sex or age (except where sex and age is a bona fide occupational qualification).

THEREFORE, BE IT RESOLVED that CRWC is an Equal Employment Opportunity (EEO) employer and will not discriminate in hiring, and

BE IT FURTHER RESOLVED that all new and vacant positions shall be filled via an open-hiring process EXCEPT temporary, part-time positions less than six months in duration and less than 20 hours per week with prior approval of the director.

### **2. AFFIRMATIVE ACTION RESOLUTION**

WHEREAS that CRWC recognizes the historic deprivation of equal employment opportunities on the basis of sex and race/color and sexual orientation and that direct action is necessary to overcome past inequities towards these three Affirmative Action (AA) target groups.

BE IT RESOLVED that in addition to open hiring CRWC shall actively recruit from among the three AA target groups.

### **3. AFFIRMATIVE ACTION PROCEDURES FOR ALL HIRING**

In addition to the requirements listed in section 4 of this section, the following procedures will be used to ensure that our commitment to AA is actively pursued:

- A. CRWC shall update annually a list of organizations and publications directed towards AA target groups in the region. CRWC staff shall notify all organizations and publication on this list of all job opportunities.
- B. When possible, CRWC staff, or hiring committee shall make personal contact with these organizations in order to solicit applicants.
- C. If an insufficient number of job applicants are from AA target groups, the time frame for the hiring process may be extended.
- D. Screening of applications should not consider artificial barriers; that is education, training, or experience unrelated to job duties should not be required.
- E. Special efforts will be made to 1) identify areas of training needed to advance people from AA target groups within the organization and 2) to provide these opportunities.

#### 4. GENERAL PROCEDURES FOR ALL HIRING

The following procedures will be used in all hiring to ensure that our commitment to EEO is met.

- A. All job opportunities will be publicly advertised through appropriate media.
- B. Selection procedures shall be made in a manner consistent with sections 1. and 2. of this plan.
- C. CRWC will seek to eliminate artificial barriers; specifically education, training, or experience requirements which restrict or prevent EEO and are unrelated to job duties.
- D. An ad-hoc hiring committee composed of people who are qualified in the area for which the applicants are being considered, will be appointed by the CRWC director. Every effort will be made in all cases to have a multi-racial committee. This committee will be responsible for screening written applications, arranging and conducting interviews, and submitting a recommendation to the board (in the case of hiring a new director) or to the CRWC director.
- E. The CRWC director will be responsible for the final selection EXCEPT that the board will be responsible for the final selection of a new director
- F. Every attempt will be made to schedule all stages of the hiring process with regard to applicants' cultural observances.
- G. All new and vacant positions shall be filled via an open-hire process EXCEPT temporary, part-time positions of less than six months in duration and less than 20 hours per week with prior approval of the director.

## 5. DISSEMINATION OF EEO PLAN

- A. This plan shall be distributed to all CRWC staff, volunteers, and board members, and shall be given to all new CRWC employees upon hire.
- B. This plan shall be distributed to all program affiliate groups for the information of staff, volunteers, and board members.

## 6. RESPONSIBILITY FOR IMPLEMENTATION

Responsibility for the implementation of the EEO plan will be with CRWC board of directors. Such responsibility will include:

- A. Monitoring the progress of the plan. A yearly review of hiring processes will include at a minimum reviewing the EEO/AE checklist for each hiring and assessing the number of applicants interviewed from each AA target group.
- B. Identify problems and designing changes to correct such problems.
- C. Reporting on the implementation of this plan annually, at the first board meeting of the calendar year.

## 7. GRIEVANCE PROCEDURE

A grievance citing violation(s) of the EEO plan should be submitted according to the outlined grievance procedure in these policies. If an ad-hoc grievance committee is formed, every effort will be made to form a multi-racial committee.

## **Connecticut River Watershed Council Affirmative Action Policy**

4. c. 151 s4 (1), as amended by Chapter 533, 1983, which prohibits discrimination in employment on the basis of race, color, sex, religious creed, national origin, ancestry, age or handicap,

In addition, the Council agrees to be familiar with and abide by:

- Equal Pay Act of 1963
- Massachusetts Executive Order 74 amended by Executive Order 116
- Massachusetts Architectural Barriers Board Act
- Federal Executive Orders 11246 and 11375 as amended.

All employees, unions, subcontractors and vendors must make genuine and consistent efforts:

1. To ensure equal employment opportunities for present and future employees, and
2. To implement affirmative action, as legally required, to remedy the effects of past employment discrimination and social inequities.

The responsibility for implementing and monitoring this policy has been delegated to:

Thomas H. Miner, Executive Director of the Connecticut River Watershed Council

Furthermore, the Connecticut River Watershed Council prohibits that any employee, or applicant, be subject to coercion, intimidation, interference or discrimination for filing a complaint or assisting in an investigation under this program. No portion of this Equal Employment Opportunity/Affirmative Action Policy shall be construed as conflicting with any existing or future judicial or legislative mandate where a constriction consistent with that mandate is reasonable.
